

Webinar: Equity Capital Options Amid Covid-19

Raising capital in a challenging market is difficult but essential. Corporates and financial institutions have been innovative and over the years have created different fund-raising structures to address different situations and conditions (eg. Rights, preference shares, private placement, perpetual. Find out which structure is most appropriate for which situation and hear what the experts have to say in terms of deal complexity, cross border and local legal issues, timing, perception and intrinsic cost to shareholders.

Date: Thursday, 26th November 2020
